For the reference number and price of any accessory in this brochure please refer to the separate *Accessoire Citroën* Price List available from your local dealer.

From the moment you enter the showroom and select your car and accessories, you will see how far Citroën goes to take care of you and your vehicle.

Journey through this *Accessoire Citroën* Brochure and you'll see how far we've gone to please you.

We've suggested many practical ideas such as a roof rack for the holidays, common sense ideas like a first aid kit and for sheer indulgence, our exclusive hand-made luggage. All of these have been designed and manufactured to the highest standards to make Citroën style motoring even more of a pleasure.

C'est Magnifique.

## Take care of your car

The best of cars need looking after – and we have a range of products designed to do just that.

## Away from home

All Citroëns are renowned for their excellent touring capabilities. The GSA and CX with their hydropneumatic suspension have superb handling characteristics whatever the load, and provide an unsurpassed towing capacity. To make the most of these features, we have developed the following essentials for safe and economical touring.

### Caravanning Wind Deflector

Practical, easy to fit and will improve your fuel consumption.

### Telescopic Caravanning Mirror

Chrome finish and can be bracket mounted for quick removal.

### Tow Bar

Tailor made for your car. Electrical fitting kits also available.

### 5 litre safety petrol can

Durable, safe and easy-to-use with screw-on filler.

## Locked-in Economy

There's a locking petrol cap designed for each model for added security and distinction.

### Safely does it

The new range of restraints from Citroën will help you travel in safety and comfort on any journey. All restraints are designed to meet EEC regulations. They fit saloon or estate cars. The child seats are easily removed and refitted in seconds, and have easy front strap adjusters for quick and accurate individual fitting. They are suitable for children weighing 9-18kg (20-40lb) aged from 6 months to 5 years old.

A carry cot restraint is available to protect infant members of the family.

For children aged between 4-11 years old and weighing 15-36kg (33-80lb) the new, fully adjustable safety harness is ideal.

The Citroën range of adult rear seat belts can be easily adapted to fit children aged between 4-11 years by using the child safety cushion. Easily removed when not required.

All models come complete with fitting instructions.

**Setting a pace**

Citroën motoring with even more style – from a range of distinctive sun roof wind deflectors, rear screen visors which combat the summer sun and give added comfort to back seat passengers and black rubber protective strips to help keep your car body in perfect shape.

Rear screen visors available for CX, GSA and Visa. Finished in black, extremely simple to fit.

Sun roof wind deflector available for CX and GSA. Tinted perspex to minimise glare and shaped to reduce wind-noise.

Self-adhesive protective strips for Visa in black rubber.

### Come rain or snow

Citroën mud flaps not only give invaluable protection from mud and flying stones but add another touch of Citroën style to all models.

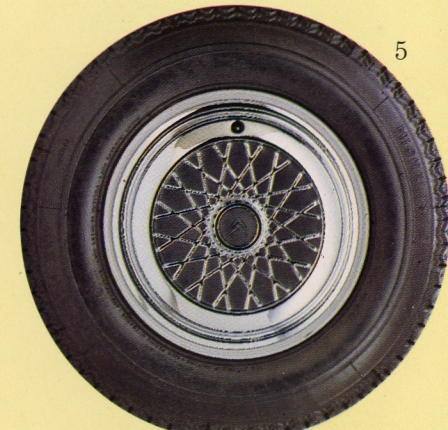

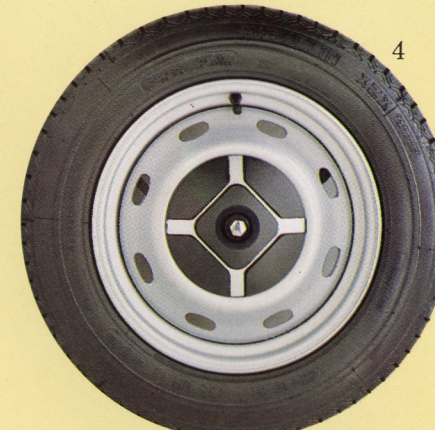

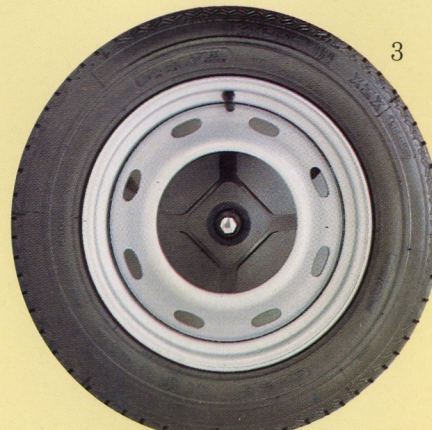

A pair of Citroën snowchains will help you in the grip of winter.

### Stylish wheel trims

Add that extra touch and look great

*Please see current Accessoire Citroën Price List for model application.*

**Cover story**

A set of our good looking seat covers is another practical idea – protecting against everyday wear and tear and the ravages of climbing expeditions and the occasional wild animal.

Choose from six patterns (plain or tartan) for individual seats or a complete car set.

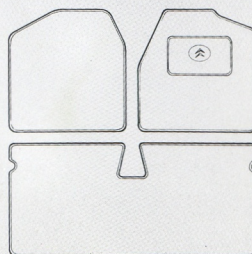

### A story in three parts

Rubber backed pile carpets with a reinforced drivers heel pad tailored exclusively for Citroën. A complete car set available in charcoal or sienna brown, hardwearing, completely washable and combines the practicality of a rubber mat with the luxury of a pile carpet.

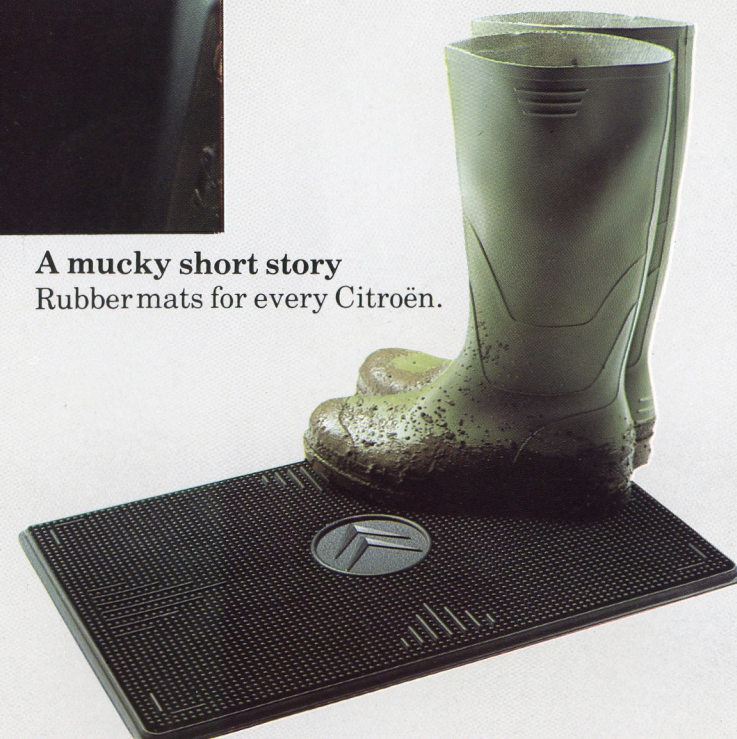

### The rest of the story

Head restraints for the GSA and Visa in a range of materials to co-ordinate with the interior trim. Simply slot into the existing seats for added safety and comfort.

### A mucky short story

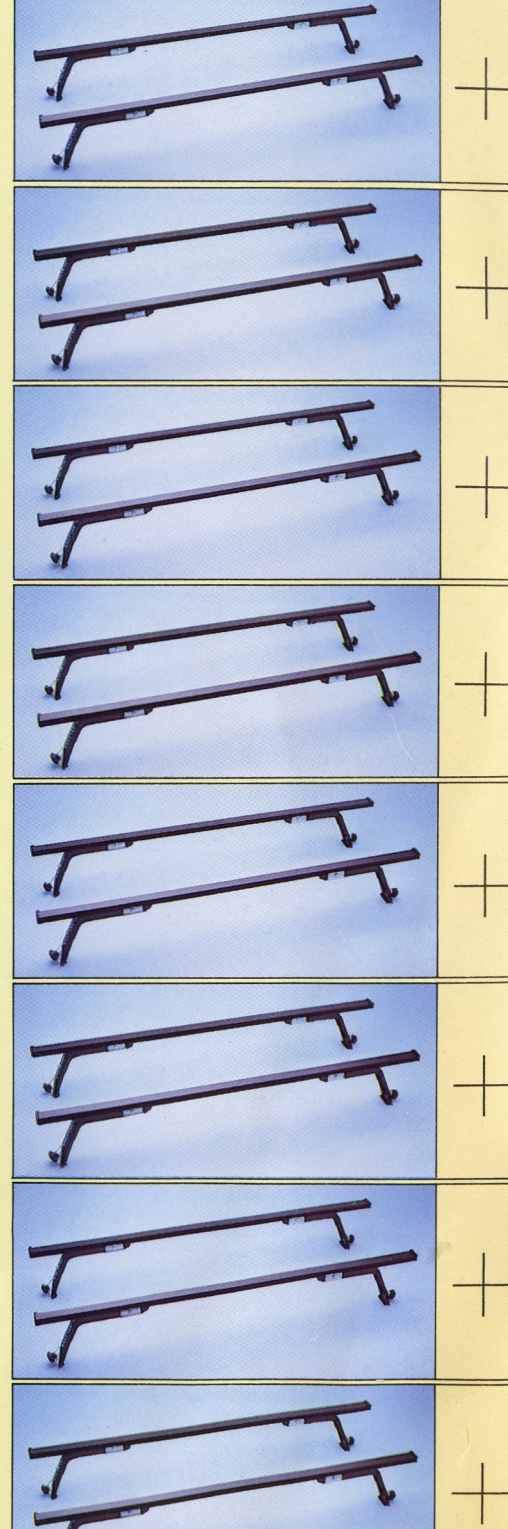

Rubber mats for every Citroën.
