CITROËN

Illustrated in this brochure is a selection of items taken from the extensive range of accessories marketed by Citroën.

The products shown, both aesthetic and functional, are designed to complement and protect the quality and style of your new Citroën whilst at the same time reflecting your own personal requirements.

All products have been selected and manufactured to meet the exacting standards that Citroën guards so zealously.

Front Cover

### BX Body Styling Kit

Consisting of front spoiler, bonnet (complete with power bulge and grille), twin headlamp conversion, wheel arch extensions, side sills, rear bumper and tailgate spoiler.

Your local Citroën dealer will be pleased to supply you with full details.

### Bulb Kit

A comprehensive selection of replacement bulbs and fuses for your Citroën, designed to cover most lighting emergencies. Securely packed for safe-keeping.

### Map Light

A useful additional internal light source offering a controlled spread of light for map reading.

### Auxiliary Lighting Kits

High quality lighting kits designed to penetrate the gloomiest of nights. Each set comes complete with either fog or driving lights, a switch, relay, wiring harness, exclusive Citroën covers and detailed fitting instructions.

### Auxiliary Lights

Powerful, high quality separate fog and driving lights. Each light has matching back and cover in a choice of six colours to co-ordinate with your vehicle's exterior.

**accessoire**  
CITROËN

### VISA Top Spoiler

A rear spoiler which fits the top edge of the Visa tailgate. Finished in moulded black plastic. Give your Visa that sporty image!

### Rear Screen Visors

Providing added style whilst combating the heat of the summer sun and giving added comfort to rear seat passengers. Finished in black and simple to fit.

### Styling Stripes

Allow you to reflect your own personality in the appearance of your vehicle. A number of self-adhesive designs are available from which to make your choice.

### BX Quarter Panel Stripes

A pair of quarter panel stripes with black satin finish.

### BX Tailgate Stripe

A graduated tailgate stripe with black satin finish.

### Rear Spoilers

A range of rear spoilers finished in moulded black plastic. Designed to complement the aerodynamic appearance of your Citroën vehicle.

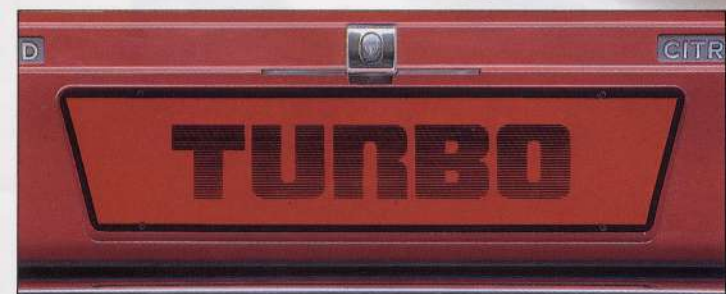

**accessoire**  
**CITROËN**

### BX Sidestripes

A distinctive decoration to enhance the body lines of the BX. Supplied in a graduated tint of black and silver, making them suitable for most body colours.

### VISA Body Styling Kit

Consisting of front spoiler, four wheel arch extensions, two side sills, rear spoiler and four door protection strips.

### VISA Styling Stripes

A striking set of stripes available in red, black or blue.

### VISA Wheel Trims

These wheel trims are manufactured in strong but lightweight black plastic. The metallic silver and black spray finish enhances the vehicle's appearance.

### Tailblazers

A range of eye catching red reflective tailplates which give your vehicle style and individuality.

### GSA Wheel Trim

A practical and robust wheel embellisher with an attractive chrome finish.

### Wheel Trims

A simple but effective method of giving your vehicle that sporty appeal.

### BX Wheel Trim

A stylish wheel trim manufactured in grey/silver plastic with black detail. Suitable for all car colours.

# accessorie

## CITROËN

### Protective Strips

Self-adhesive moulded rubber strips which not only provide added protection to bodywork, but also enhance the distinctive Citroën styling.

### BX Overrides

A stylish set of four matt black moulded plastic nudge strips for front and rear bumpers, providing extra protection against accidental knocks and damage.

### Wheel Arch Finishers

A specially contoured set of four wheel arch finishers in grey moulded plastic which can be sprayed to match the colour of your car.

### Overrides

Black shock absorbing overrides which give added protection to your bumpers and enhance the appearance of your car.

### Locking Petrol Caps

A range of locking petrol caps specifically designed for each model to give added security and distinction.

### Wheel Arch Finishers

Finished in black and providing an attractive and distinctive alternative to the CX rear wheel arch cover.

### Mudflaps

Made from tough heavy-duty rubber complete with chevrons not only give maximum protection from mud and flying stones, but add another touch of Citroën style to all models.

### Rubber Mats

Manufactured in durable hard-wearing rubber, these mats are available in front or rear pairs and in black or brown. The front mats are pre-shaped to offer maximum protection.

### Side Window Wind Deflectors

Give enhanced driver and passenger comfort when travelling with front side windows fully open.

### Snow Chains and Ice Grips

Easily fitted for remarkable adhesion in all forms of snow and ice.

### Rear Wash/Wipe

For greater rearward visibility in poor weather conditions. Available in kit form complete with wiring and fitting instructions.

### Dog and Cargo Guard

Fully adjustable. Suitable for Citroën Estates. Stove enamelled in black for durability, and easy to remove for convenience.

Children travelling unprotected without safety restraints are being put at risk!

Apart from adult rear seat belts Citroën offers a range of rear safety restraints, as shown here, for children from birth to eleven years old. Each product has been approved to British Standards and selected not only for its standard of safety but also convenience, comfort and style.

Fit your Citroën with our recommended rear seat safety restraints, and enjoy safer motoring with 'Accessoire Citroën'.

#### Rear Seat Belts

Automatic lap and diagonal belts meeting EEC regulations and forming part of the Citroën range of rear safety restraints.

#### Child Harness

For children aged from four to eleven years old and weighing 18kg to 36kg. The fully adjustable safety harness complete with tamper proof, quick release buckle, provides comfort, maximum security and yet enough freedom to avoid annoyance.

#### Carrycot Restraint

Available to protect infant members of the family up to 10kgs.

#### Safety Seat

An advanced child safety seat for use in and out of the car. Suitable for children from sitting age up to approximately five years.

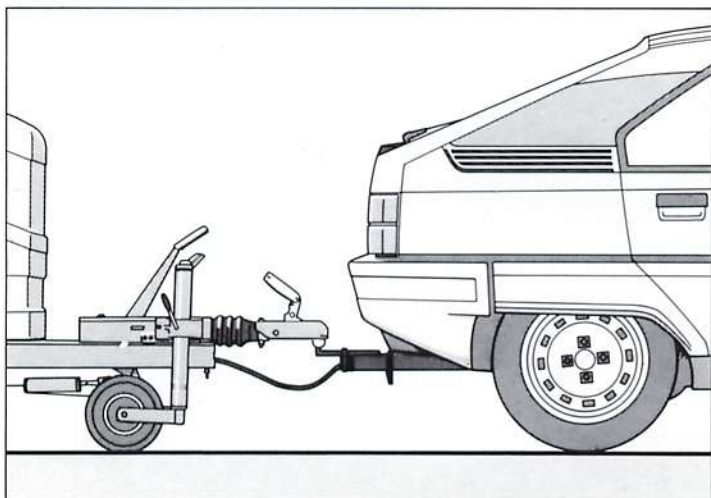

#### Safety Booster Cushion

Ready for immediate use with existing three point adult belts, and fitted in seconds. This cushion is easily transferred from car to car and is suitable for children from 15kg – about three years upwards.

## CITROËN

### The BX is Towcar of the Year

The unique Citroën qualities which help win this highly acclaimed accolade are also available on the CX and GSA model ranges.

The self-levelling hydro-pneumatic suspension in addition to providing unequalled

comfort avoids the unstable nose-up attitude of many contemporaries when towing.

All Citroën models have a minimal rear overhang which allows the tow ball to be mounted as near as possible to the rear wheels thus making the whole range ideal as towing vehicles.

### Stabiliser Bracket

A specially formulated bracket designed to accommodate most types of stabiliser bars is available for the BX towbar.

### Towbars

A range of fully approved and tested towbars is available for all models. Each attachment is coated with hard-wearing matt black paint for maximum protection and unobtrusive appearance. An electrical fitting kit is also available.

### Caravanning Wind Spoiler

A scientifically shaped spoiler designed to reduce fuel consumption and provide a smooth safe ride when towing. Fitted in seconds to the Citroën roof bar system.

### Passenger Door Mirrors

A complete range designed to match the driver door mirrors.

### Cruise Control

A neatly installed device which holds the car at constant speed, optimising fuel efficiency whilst reducing the physical stress and fatigue experienced by the driver.

Normal use of the brake, accelerator or clutch over-rides the unit, giving you total control when you need it.

*'One of our favourite accessories for towing' –*

CARAVAN

# TOWCAR OF THE YEAR 1984

### Caravanning Mirrors

Easily fitted, instantly detachable, bracket mounted mirrors which require no drilling. Supplied in pairs.

# accessorie

## CITROËN

### Seat Covers

A range of six designs (plain or tartan) available for individual seats or a complete car set.

### Aria Seat Covers

Available in blue, beige or black to co-ordinate with existing interior trim, these covers will offer you hard-wearing but attractive protection against the rigours of daily motoring. Manufactured in a blend of 68% acetate, 12% polypropylene and 20% polyester, they are supplied in car sets.

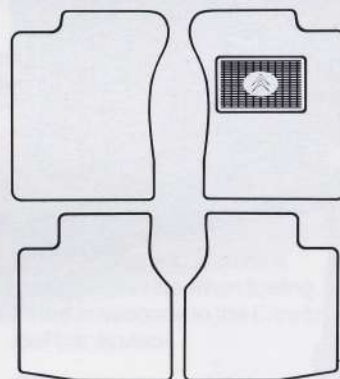

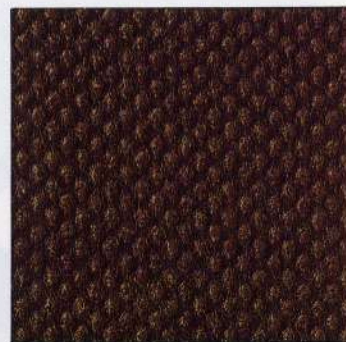

### Car Carpets

Hard-wearing and washable these rubber backed carpets combine the practicality of a rubber mat with the luxury of a pile carpet. Available as car sets in a choice of blue, brown or black and with re-inforced drivers heel pad.

### Monte Carlo Seat Covers

A cheerful range of striped seat covers. Available in four options.

### Rear Head Restraints

Adding that touch of luxury and additional safety for your rear passengers. Can be finished in the matching trim of your vehicle.

### Rear Roller Blind

Providing protection for rear passengers when travelling in the hot summer sun.

# accessorie

## CITROËN

### CX Roof Rack

An extra long heavy-duty roof rack tailormade for the CX and the long loads it can accomodate.

### Estate Rear Liners

A durable easy to clean, easy to fit, plywood estate liner designed to protect the vehicle interior from damage and soiling.

The liner folds flat for space saving storage when not in use and is available in separate sections to suit different purposes.

'Accessory of the Year Award' –  
MOTOR MAGAZINE

### Luggage

Four items of exclusive hand made luggage in specially woven Citroën cloth and trimmed in the finest quality English leather.

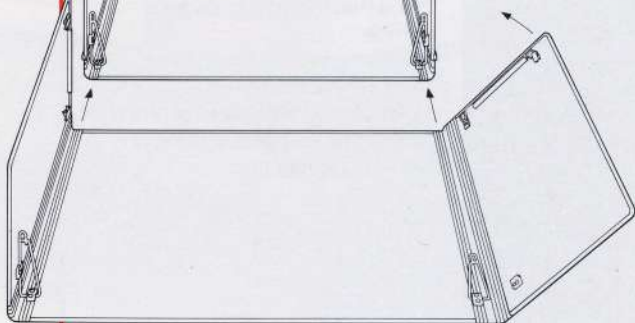

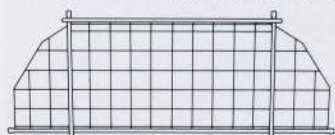

### Boot Conversion Kit

Allows the boot lid of the 2CV to be transformed into a highly accessible hatch-back.

### Luggage Net

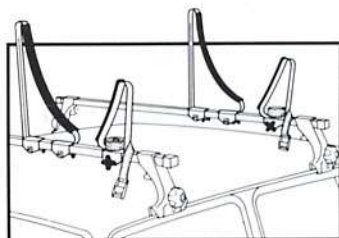

Elasticated webbing complete with retaining hooks to hold your luggage firmly in place.

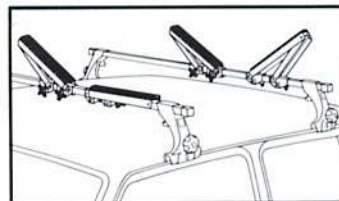

**Roof Bar System**

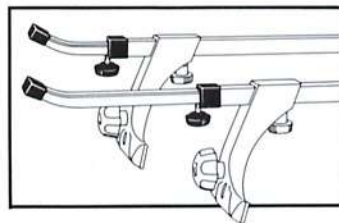

A range of unobtrusive solid built roof bars. Each pair of bars are manufactured from galvanized steel tubing (cross section 2cm x 3cm), polyester coated, complete with removable end caps and are designed to accept a wide range of accessories.

**Canoe Carrier**

For the safe and easy transportation of a canoe. Terylene belt straps secure the side mounted canoe tightly against the protected supports.

**Boat Carrier**

A set of four adjustable pads with thick plastic profiles to protect and secure your boat in transit.

**Extension Bars**

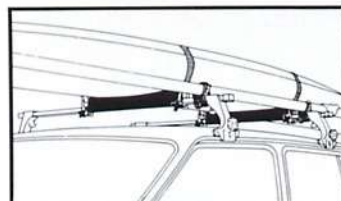

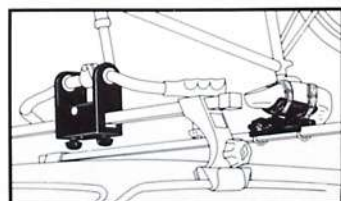

Allow the roof bars to be extended for various purposes.

**Door Pocket**

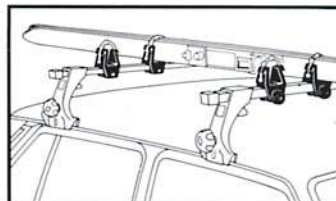

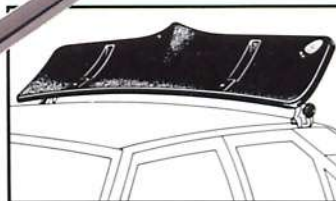

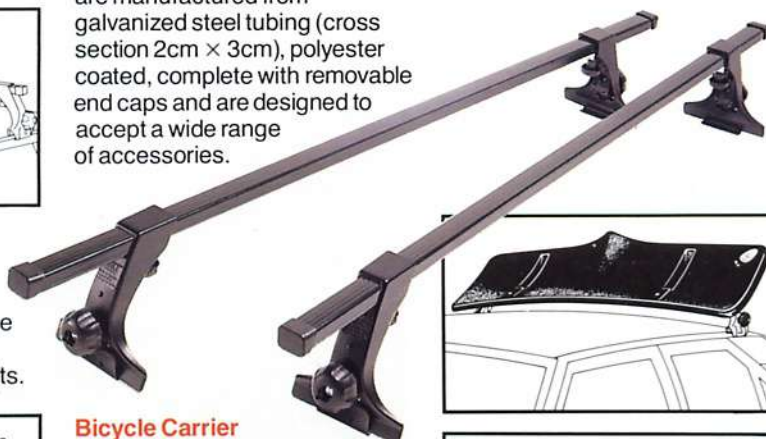

Moulded plastic pocket which secures to the door and retains all those essential odds and ends.

**Bicycle Carrier**

A handy practical carrier for the transport of bicycles with firm grips for the handle-bars and saddle.

**Windsurfer Carrier**

The shock absorbing rubber supports along with the Terylene belt strap tightly secure the board and boom to the roof bars. The mast is located in the plastic grips and secured with rubber locking bands.

**Caravanning Wind Spoiler**

A scientifically shaped spoiler designed to reduce fuel consumption and provide a smooth safe ride when towing. Fitted in seconds to the Citroën roof bar system.

**Ski Carriers**

Designed to transport up to four pairs of skis. Manufactured from synthetic material with rubber securing straps.

**Rack Attachment**

Transform your roof bars into a roof rack. This attachment can be assembled to form a cradle or flat load platform to accommodate awkward loads.

**CX Estate Bars**

A specially designed pair of bars with extended feet to give extra clearance over the CX Estate roof line.

## CITROËN

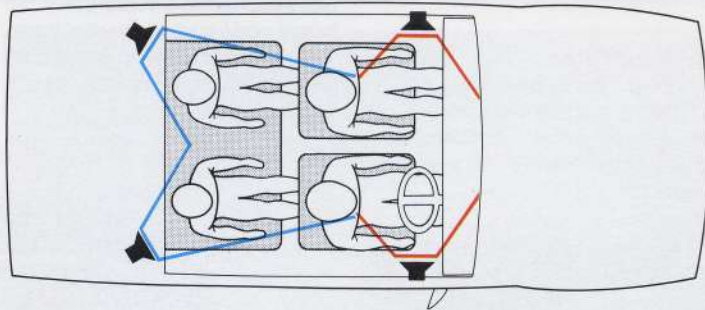

A comprehensive range of compatible radios, radio/cassettes, speakers and graphic equalisers is described in the separate 'In-Car Audio Systems' brochure available from your

Citroën dealer. He will also be pleased to offer assistance in the selection of your audio equipment and additional suppression if necessary.

### Rear Head Phone System

Complete with a control box allowing rear passengers to balance the stereo sound to their preference and, if desired, to mute the speakers.

### Speakers

A range of quality speakers designed to match your equipment and suit the acoustic conditions of your Citroën are available.

Four speaker installations provide outstanding stereo imagery, uniform sound dispersion and excellent reproduction of the bass, middle and high music notes.

### Rear Power Point

A complete 12v power point which can be conveniently mounted on the rear of the centre console and can be used to power a variety of ancillary electrical appliances.
